**Dear Esteemed customer, we thank you for sharing your valuable enquiry.**

Subject: Offer for supply of Kirloskar make pumps

**Dear Sir,**

This has reference to the inquiry received by us in connection with the subject work. We thank you very much for inviting us to submit our offer for the same for your project.

**MMT Distributors Pvt Ltd.**, a trusted name in the industrial solutions sector with over **40 years of legacy**. We are proud to have been recognized as the **largest dealer of Kirloskar Brothers Limited in the Industrial Pumps Division in North India for three consecutive years**, a testament to our consistent performance, reliability, and customer trust with over 40 years of trusted excellence delivering industrial pumping and utility solutions.

Our portfolio includes a comprehensive range of industrial solutions:

- **Pumps**
- **Chillers & Heat Pumps**
- **Diesel Generator (DG) Sets & Transformer**
- **Water & Sewage Treatment Plants (WTP/STP's)**
- **HVAC Air Side Products (FCU, VAV's, CO2 sensors, DX Unit)**
- **Precision ACs**

At MMT, we believe in delivering only **genuine and reliable products**, backed by unmatched technical expertise and strong after-sales support. Over the years, we have had the privilege of serving **India's Top 10 Engineering companies** and contributing to numerous **prestigious projects in the country across diverse industries**. It is our endeavor to build a strong valued ongoing relationship with our customers by way of these valued business opportunities.

- Annexure I : Recognitions and references
- Annexure II : Price schedule
- Annexure III : Terms & Conditions

Trust you shall find the above in line with your requirement. Should you, however, require any further information / details, kindly feel free to contact us.

Thanking you & assuring you of our best at all times.

Very Truly Yours,

MMT Distributors Pvt Ltd

ANNEXURE - I

**Recognitions:**

- **Largest Dealer – Kirloskar Brothers Ltd. (Industrial Pumps Division)** – *3 consecutive years*
- Over **40 years of trusted excellence** delivering industrial pumping & utility solutions
- Proud partner in **nation-building projects** across healthcare, aviation, infrastructure, and industries

---

## Project Awards & References

### Healthcare Projects

MMT has been instrumental in strengthening India's healthcare infrastructure by supplying and commissioning critical pumping and utility systems for leading medical institutions.

- **All India Institute of Medical Sciences (AIIMS):**
  Successfully executed projects across **Delhi, Rae Bareli, Kalyani, Nagpur, Goa, Jammu, Guwahati, Raipur, and Jodhpur**, ensuring uninterrupted water and utility supply for large-scale healthcare facilities by supplying pumps in fire, plumbing and HVAC applications.

---

### Aviation & Airport Projects

Fueling some of India's busiest airports with **Kirloskar pumps supplied via MMT**, ensuring operational excellence and reliability:

- Delhi International Airport (T3 & Expansion)
- Jewar International Airport
- Bagdogra Airport
- Patna Airport
- Kailaikunda Airport
- Vijayawada Airport
- Prayagraj Airport
- Safdarjung Airport (Delhi)
- Numerous other regional airports across India

---

### Tunnel Infrastructure

Reliable pumping solutions supporting safe and efficient operations in critical tunnel projects across challenging terrains:

- T74, T77, T48, T49
- Ramban Tunnel
- Banihal Tunnel

---

### Industrial Clients

Trusted by some of India's most respected corporates and manufacturing giants:

- Coca-Cola
- Asian Paints
- Century Paper
- Hindustan Unilever Limited (HUL)

- Reckitt Benckiser
- Honda Cars
- Saint-Gobain Glass
- …and many more industry leaders

---

**Special Infrastructure Projects**

- **Bijwasan Railway Station, Delhi – 2.5 MLD STP Works** (SITC) – SITC of **state-of-the-art sewage treatment system** with a capacity of **2.5 million liters per day**, supporting Indian Railways' sustainability drive and ensuring efficient wastewater management for one of Delhi's major railway hubs.
- **AIIMS Jammu – Hot Water System** (SITC) - Designed & implemented an advanced solution to support patient care and hospital operations with energy-efficient technology.
